- b) Existence of a mechanism in place to coordinate the work of these national authorities with respect to persons enjoying temporary (or adequate) protection coming from Ukraine.

There is no mechanism to coordinate the work between the Asylum Service and the Department of Labour. The Asylum Service is regarded as the competent authority for the necessary administrative co-operation with the competent local authorities and the competent authorities of other Member States and international organisations in relation to the temporary protection.

2.0 Possibility of changing the status

- a) Difference between temporary protection status and other forms of adequate protection³ under national law, in respect of third country nationals and stateless persons coming from Ukraine.

Articles 20 to 20IB of the Refugee Law 2000 N. 6 (I)/2000, as currently in force, provide the rules on temporary protection. No other forms of adequate protection exist in Cyprus.

In addition to this, Article 19 of the Refugee Law 2000 N. 6 (I)/2000 provides for recognition of subsidiary protection status (*καθεστώς προσωρινής προστασίας*). In particular, pursuant to Article 19(1), the Head, by decision, shall grant subsidiary protection status to applicants who are not recognised as refugees or to applicants whose applications are clearly not based on any of the grounds for persecution provided for in the Act, but in respect of whom there are substantial grounds for believing that, if returned to their country of nationality, they would face a real risk of suffering serious harm and are unable or, owing to that risk, unwilling to avail themselves of the protection of that country.

Pursuant to Article 2(1) of Refugee Law 2000 N. 6 (I)/2000, the Head means a competent officer who is the head of the Asylum Service and includes any other competent officer of that Service authorised by the Secretary of State to exercise all or any of the powers or perform all or any of the functions of the Head.

- b) Possibility to file status change inside the territory without the requirement for the person to first leave the country or return to Ukraine from temporary protection or other forms of adequate protection to employment-based residence permit during the temporary protection regime and at the end of this regime

³ 'Adequate protection' under national law is referred to in Article 2(2) of the Council Decision as a possible alternative that may be offered by Member States to temporary protection and therefore does not have to entail benefits identical to those attached to temporary protection as provided for in Directive 2001/55/EC. Nevertheless, when implementing the Council Decision, Member States must respect the Charter of fundamental rights of the European Union and the spirit of Directive 2001/55/EC. The respect for human dignity and therefore a dignified standard of living (such as residency rights, access to means of subsistence and accommodation, emergency care and adequate care for minors) has to be ensured in respect of everyone.

(e.g. single permit for work, EU Blue Card for highly-qualified workers, seasonal workers, family reunification).

National legislation does not set out rules in case of status change from temporary protection to employment-based residence permit while inside the territory of Cyprus.

c) Relevant national legislation on changing the status (including the procedure to be followed).

N/A

d) Measures aiming to preclude registration of displaced persons in more than one Member State/EEA-EFTA country (see Article 26 of the Temporary Protection Directive).

Pursuant to Article 20IA (6) of the Refugee Law 2000 N. 6 (I)/2000, in case of transfer of a person enjoying temporary protection in Cyprus to another Member State, the residence permit is revoked by the Director of the Asylum Service and any rights arising from the Refugee Law are terminated (e.g. access to employment, social welfare, residence etc.).

3.0 Access to labour market (Article 12 of the Temporary Protection Directive)

a) Overview on how equal treatment on the labour market as regards working conditions is ensured for persons enjoying temporary (or adequate) protection from Ukraine.

The general framework for persons enjoying temporary protection does not contain specific provisions on the application of the principle of equal treatment. Nonetheless the prohibition of discrimination is founded in the Cypriot legal order by the [Equal Treatment in Employment and Labor Act N. 58\(I\)/2004](#) (*ο περί ίσης μεταχείρισης στην Απασχόληση και την Εργασία Νόμος*) adopted on 31 March 2004, in force from 1 May 2004.

a) Conditions applicable to persons enjoying temporary (or adequate) protection from Ukraine, (including the procedure to be followed):

I. The conditions regulating work permits/work authorisation, if required

No measures have been adopted for persons enjoying temporary protection specifically from Ukraine.

The general framework provides that persons enjoying temporary protection are entitled to be employed or self-employed. Such persons are entitled to work without work permits or any type of authorisation.

Article 20H (1) section (a) of the Refugee Law 2000 N. 6 (I)/2000 refers to the Law on Foreigners and Immigration (Capital 105), according to which the displaced persons and thus also persons enjoying temporary protection need to apply for a biometric residence permit in order to be able to apply for a job. The employer has the obligation to ask such displaced persons to prove that they have a legal residence permit and to inform the authorities within seven days about the employment of the displaced persons (Articles 18PB and ΠΓ (1) and

(3) of [Law on Foreigners and Immigration](#) (Capital 105) (*Ο περί Αλλοδαπών και Μεταναστεύσεως Νόμος (ΚΕΦ. 105)*).

II. Recognition of qualifications/diplomas

Pursuant to Article 21 (1A) of the Refugee Law 2000 N. 6 (I)/2000, the competent authorities shall ensure that displaced persons who cannot provide documentary evidence of their qualifications have full access to appropriate programmes for the assessment, validation and certification of their prior learning. In general, the recognition of foreign diplomas is done by the [Cyprus Council for the Recognition of Diplomas \(KY.S.A.T.S.\)](#), which is responsible for the recognition of the equivalence and correspondence of the diplomas. Persons enjoying temporary protection would need to have their qualifications recognized in the same way as any third country national.

III. Eligibility to receive assistance for job seekers (e.g., career counselling, skills assessment, locating appropriate job openings, etc.)

Pursuant to Article 20H (1) section (b) of the Refugee Law 2000 N. 6 (I)/2000, persons enjoying temporary protection shall have the right, for a period not exceeding the period for which temporary protection is granted, to attend adult education, vocational training and work experience programmes.

In general, assistance for jobseekers is provided by the [Cyprus Human Resources Development Authority](#).

Pursuant to Article 20H (2) of the Refugee Law 2000 N. 6 (I)/2000, persons under temporary protection who are under 18 years of age have access to the public education system under the same conditions as citizens of the country. In addition to this, pursuant to Article 20H (3) of the Refugee Law 2000 N. 6 (I)/2000, adults under temporary protection shall have access to the general education system applicable to adults in the country.

IV. Availability of vocational training/educational opportunities for adults/practical workplace experience.

No measures have been adopted for persons enjoying temporary protection specifically from Ukraine. The general framework provides that persons enjoying temporary protection are entitled to attend adult education programs, vocational training and internship programs. The Cyprus Human Resources Development Authority is the competent authority for the training programs.

V. Any exceptions to the general law in force in the country applicable to remuneration and other conditions of (self-) employment

There are no specific issues or salient points identified for this question.

Pursuant to Article 20H (1A) of the Refugee Law 2000 N. 6 (I)/2000, where persons enjoying temporary protection are engaged in (self-)employment, their ability to contribute to their needs shall be taken into account when determining the level of assistance provided.

4.0 Social security, social welfare and means of subsistence assistance, as well as medical care (Article 13 of the Temporary Protection Directive)

I. Types of benefits with description and coverage

Social security

No measures have been adopted for persons enjoying temporary protection specifically from Ukraine. The general framework provides that persons enjoying temporary protection are entitled to receive the necessary social security. The general framework of social security is regulated by the [Social Insurance Law of 2010](#) (ο περί Κοινωνικών Ασφαλίσεων Νόμος του 2010) 59(I)/2010. According to Article 21 of the Social Insurance Law of 2010 59(I)/2010, the beneficiary of social security is entitled to receive maternity allowance, sickness benefit, unemployment benefit, pension, disability pension, widow's pension, orphan allowance, paternity allowance, marriage aid, childbirth aid and funeral aid.

Social welfare

Refugee Law 2000 N. 6 (I)/2000 provides that persons enjoying temporary protection are entitled to receive the necessary living support and medical care, as well as access to education for children, same as citizens of Cyprus.

Moreover, displaced persons from Ukraine are entitled to receive a temporary financial assistance in the amount of 340 EUR from the state. The rules on financial aid refer to Citizens of Ukraine who arrived in Cyprus for tourism during the three months before the war in Ukraine (before 24 February 2022) and those arrived in Cyprus after the start of the war in Ukraine (on 24 February 2022 or after). Such persons must provide information to confirm the time of arrival in the Republic of Cyprus, in particular a copy of the passport marked on arrival at the airport or port, or, if received, a copy of the temporary residence permit in Cyprus. After submitting the application to the SWS (Social Protection Service) office, the beneficiary can receive the first part of the assistance in cash on the same day. To receive the second part of the [assistance](#), the beneficiary needs to apply within 15 days to the same office and provide a document confirming receipt of the first payment.

The Ministry of Health of Cyprus provides Ukrainian refugees who have been granted temporary protection with [health care in public hospitals](#).

The Ministry of Tourism has reserved three thousand beds in hotels in various parts of Cyprus, to accommodate displaced persons from Ukraine.

Social Welfare Services is the competent authority that provides Ukrainian refugees with housing and living allowance.

II. Eligibility conditions

National legislation provides for certain conditions which need to be fulfilled in order to benefit from various social insurance benefits (benefits, allowances etc.). The legal framework regarding persons enjoying

temporary protection does not include any special conditions that differentiate the conditions between Cypriot citizens and persons enjoying temporary protection from Ukraine.

III. Any exceptions to the general law in force in the country to access to social security systems or social welfare system relating to employed or self-employed activities

There are no specific issues or salient points identified for this question.

5.0 Public support instruments

Overview of other public support instruments facilitating labour market participation, information about and enforcement of rights and entitlements for displaced persons.

The [Asylum Service](#) provides the necessary information and assistance related to the procedure that persons can follow in order to receive temporary protection for themselves (namely information to apply for temporary protection on-line and receive the decision either on-line or in person), as well as get information about their rights after the approval of the application.

Displaced persons from Ukraine have a possibility to apply for temporary protection [online](#) and also receive a decision online, whereby the application process already indicates some possible sectors of economic activities in which displaced persons would like to work.
